

Build a worm farm!

All of the answers to these questions can be found by playing the 'Build a worm farm' game on the Waste Wise website.

1. What are worm castings?
2. List two things that need to be added to feed your worms.
3. What kind of environment do worms dislike? What can be added to change this?
4. List what worms like to eat.
5. List what worms don't like to eat.
6. What is the water called that comes out of the worm farm? Why is this excellent for plants?
7. Name three things to cover the worm farm with to keep it moist.
8. Draw and design a worm farm for your school. Remember to include the important ideas you have learned from the website game you played.
